

HAMMONDS

STAINLESS STEEL & SHEET METAL WORKERS

MAP & DIRECTIONS TO FC HAMMONDS

From the Centre of Bristol

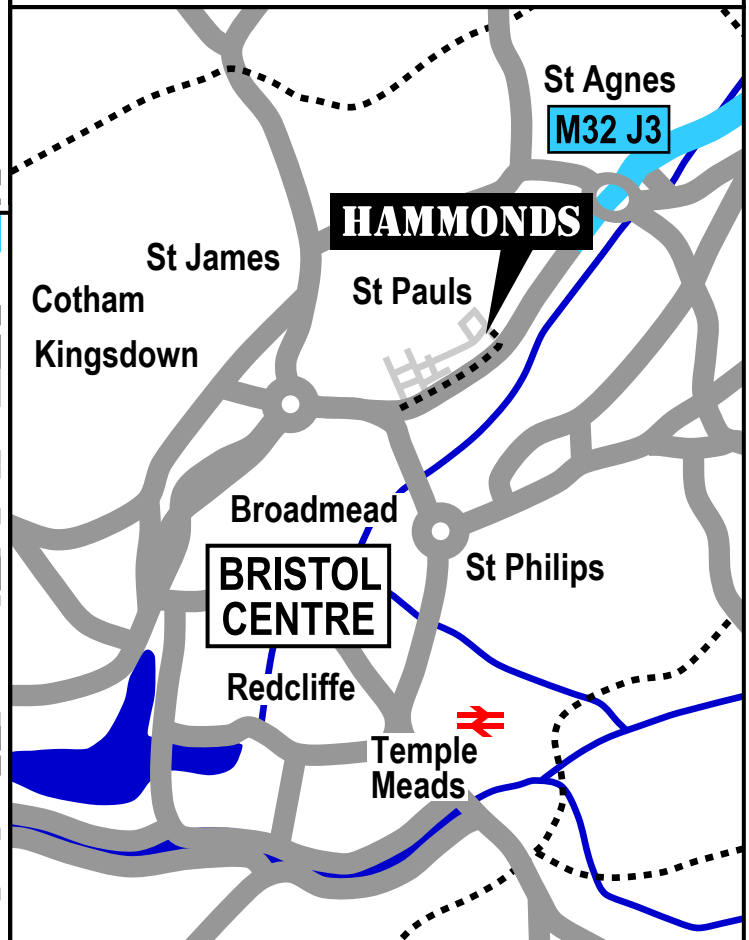

As you come North on Newfoundland Way, turn off as if you were going to the Texaco / Spar, but just after the Texaco Station turn left into Dove Lane and then left again into Wilson St.

Please park in the FC Hammonds car parking area on Wilson St.

The entrance to FC Hammonds is on Dove Lane.

From J3 of the M32

As you come South from Junction 3 of the M32 it is not possible to turn right into St. Pauls, so you need to go to the bottom of the A4032, then left onto the A4044 and then completely around the roundabout to come back on yourself. Then follow signs to the M32 and when you are going North again on Newfoundland Way follow the directions above.
